Survey

- We did issue a survey last year amongst all participants of the Open Symposium
 - We did change several things based on your highly appreciated feedback (e.g. longer lunch breaks, bigger rooms for Sponsors and posters, etc..)
 - We will issue a survey again this year (via e-mail close to the end of the conference)
 - Let us know how we did this year and how we could improve for next year!

Social Event

- Don't miss the social event today evening
 - Great location with delicious food (for free)
 - Lot of opportunities for networking
 - Singing ;-)

See you there!!!!!!!!!!!!!!!!!!!!
